

## Nauset Public Schools District Goals 2004-2009

### ALL STUDENTS PERFORM AT THE PROFICIENT LEVEL OR BETTER IN EACH GRADE LEVEL

Utilize research-based instructional interventions (practices, resources, co-teaching/inclusion) to improve individual student achievement

Utilize research-based supplemental/enrichment resources to challenge the high-achieving learner

Plan, implement, and refine instruction using the Effective Teaching Unit Design including appropriate performance-based assessments

Plan and design effective learning experiences supported by the infusion of technology

Utilize a NETS\*T standard as a personal professional goal to demonstrate effective use of technology to support teaching, learning, and instructional management

Analyze individual student work to inform instruction and improve student achievement

Analyze data to inform instruction and improve student achievement

Participate in professional development related to data-analysis, content and research-based best practices

Participate in the high school reaccreditation process

### PROFESSIONAL LEARNING COMMUNITIES

### STANDARDS-BASED INSTRUCTION
