

Drug Free Environment - Students

Possession, use, manufacture, and sale or distribution of drugs and alcohol or other controlled substances are prohibited by law. The Nauset Public Schools will take all necessary steps to prevent any of the above activities from taking place on school premises or as a part of any of its activities. These steps will include investigation of reports of actual or suspected possession, use, manufacture, sale or distribution of any of these illegal substances.

The Nauset Public Schools will provide information about available drug and alcohol counseling and rehabilitation, and re-entry programs that are available to students.

Procedures to determine the need for and severity of disciplinary measures will be consistent with other school department policies and relevant local, state or federal statutes pertaining to expulsion, and possession, use, manufacture, sale or distribution of illegal substances or alcohol.
